

Praying for Myanmar

CBM began partnering with Pastor Thuya in 2017 to support the needs of the Lahu people in Myanmar. Together they bring the gospel while building a community centre for church, school, medical care and public meetings. The building serves as a witness to the other villages and provides a place to meet many needs. The next step is to improve water supply, farming techniques, and medical assistance.

Get Involved!

- **Fundraising:** In Lesson 1 we learned about the work CBM is doing to build latrines in El Salvador so that communities can have healthy and safe places to use the washroom. Have a squatting competition. Get your friends and family to sponsor you and pledge a coin for every squat you can do in 2 minutes!
- Pray!
- Table Talk:
 - What is a community centre used for?
 - What does it mean to be a witness? How is the community centre a witness?
 - What are the places in our own community that people can go to meet, get medical help, education and learn about God?

How is God good? He cares about all our needs!
“And my God will meet all your needs according to the riches of his glory in Christ Jesus.” Philippians 4:19
